EDUCATION SECRETARIAT

Sanctions the Opening of a Government High School at Mandya from 1945-46.

READ—

Correspondence ending with letter No. A. 3-256-40 of 44-45, dated the 3rd February 1945, from the Director of Public Instruction in Mysore, submitting for sanction, detailed proposals for opening a Government High School at Mandya.

ORDER No. E. 4914-17—EDN. 51-44-6, DATED BANGALORE, THE 11TH—23rd, APRIL 1945.

Mandya has at present only a Municipal High School which is reported to be congested and inadequate for meeting the educational needs of the area. Of all the District Headquarters in the State, Mandya is the only place which has not got a Government High School. The question of opening a Government High School at the place was urged in both the Houses of Legislature and a resolution to this effect was also passed at Budget Session of the Legislative Council in June and July 1944. Government feel that the need for two schools (Municipal and Government) in Mandya from next year onwards will become even greater as with the increase in the number of Middle Schools, the number of students seeking admission into High Schools will grow from year to year.

The proposals received from the Director of Public Instruction in Mysore for opening a Government High School at Mandya indicate the financial implications as noted below :—

Year	Classes to be opened	Recurring	Non-Recurring	Total
1945-46	I Year Class ...	Rs. 6,429	Rs. 3,200	Rs. 9,629
1946-47	I and II Year classes.	8,125	4,000	12,125
1947-48	I, II and III year classes.	10,880	1,000	11,880

Considering all aspects of the question and the frequent representations that are being made in the matter, Government are pleased to sanction the opening of a Government High School at Mandya Town with the I year class from the

academic year 1945-46, the second and third year classes being opened in the years 1946-47 and 1947-48, respectively. Necessary provision as indicated above will be made in the Budget of the Education Department for the next and subsequent years.

As regards the construction of a building for housing the High School, the Government Architect is requested to visit the place and make a final selection of the site. Provision will also be made in the next year's Budget of the Department for the construction of a building for the purpose. Till a permanent building is constructed, the School will be housed in a rented building for which a provision of Rs. 125 per mensem is included in the above proposals of the Director.

A statement showing details of the expenditure as sanctioned is appended to this Order.

N. S. HIRANNAYYA, *Edn. Secy.*
